Leadership Message

As we reflect on this Spring 2021 semester, Leadership as a topic, dire need, and honored trait surfaces. We, as NAKHE, foster leadership at the highest level. From past Presidents to our current President, Tara Tietjen-Smith, leadership has always been about knowing and showing the path for NAKHE. Leaders impact lives, while never knowing the full scope of their reach. As Jackie Robinson stated “A life is not important, except in the impact it has on other lives.” To our past, current, and future leaders, a heartfelt thank you!
