A short note about LDW & DHTC from our President, Dr. James C. Hannon

Hello NAKHE Members:

The spring conference season is upon us. We have a diverse membership in NAKHE who span varied kinesiology program areas. As our members are out at other conferences such as SHAPE America and ACSM don't be shy about talking with your colleagues about NAKHE and our place and contributions in the promotion and fostering of leadership. Tell people about the LDW and DHTC, promote our 2025 conference in beautiful Puerto Rico. This is an amazing organization, and our members are our greatest promoters! Be well my friends.

I encourage everyone to take advantage of our upcoming [2024 Leadership Development Workshop](#) and [Department Head Certification Training](#).

Thank you, members, for your continued participation and enthusiasm in our professional community. It is all of you who make NAKHE such a special organization.
